THE GAZETTE.

MONDAY EVENING JAN. 28, 1895.

To DIVIDE TURKEY .- A telegram

from London says : If certain liberal newspapers, which profe s to be inspired, are expressing the g name designs of the government, the eastern question is about to be re-vived in its most acute form. The true meaning of the persistent Armenian agitation is now becoming disclosed in the bold assertion of these journals that the time is ripe for the ejection of the Turks from the European fold.

The key to the eastern position is not now Armenia, but Macedonia. As the plan is understood, it is in Mace-donia that mines are laid for an insurrection, which it is intended, shall involve Bulgaria, Servia and Greece in an active dispute for a division of the territory of Turkey in Europe, finally leading the great powers to intervene.
According to an article in the Speaker, which is supposed to disseminate the ideas of the liberal ministry, the Macedonia question will soon become a burning one, and its solution will finally dispose of the rule of Islam in Europe. How much of Islam's do-minion is to remain in the Asiatic territory of the Sultan will depend upon the action of the commander of the faithful toward Armenia.

TURNED NAKED INTO THE STREET For ill-treating their little daughter Louis Sheppard and his wife Lizzie were arraigned at the Second district police station Saturday morning. The testimony of Policeman Kleintz showed that the little girl, who is only five years old, had been turned half naked put of the house show 12:30 cicles on out of the house about 12:30 o'clock on Wednesday morning while both her father and mother were intoxicated Kleintz stated also that the accused woman was constantly quarreling with her neighbors, and that from what he had learned from several persons who knew the Sheppards, the little girl did most of the housework. Following the testimony of Policeman Kleintz Mrs. Sheppard was sent to the House of Cor-rection for three months, and her hus-band was fined for drunkenness. The little girl was committed to the care of the Society to Protect Children from Cruelty.—Philadelphia Record.
